DISPATCH		CLASSIFICATION SECRET	DOCUMENT SYMBOL AND NO. ECOA-13869
TO INFO	Chief, BR - Chief, AF Chief of Station, Germany		HEADQUARTERS FILE NO. []
FROM	Chief, Munich Liaison Base		DATE 3 March 1961
SUBJECT	Operational/UPHILL ERICH STARHORN []		REVIEW "AS-IS" - CHECK TWO ONCE []
ACTION REQUIRED	See paragraph 4		NO INDEXING REQUIRED []
REFERENCES	<p>A. ECOA-5084, dated 25 April 1960 B. ECOA-52099, dated 10 January 1961</p> <p>1. Three State Department cables which have recently come to our notice refer to the activities of Erich STARHORN in the Congo. They are Brazzaville No. 3, 13 December, Control 753, sent Department 167; Brazzaville No. 7, 14 February, Control 800, sent Department 265; Paris No. 177, 17 February, Control 909, sent Department 1303. In view of the apparent OASID interest and concern in the activities of the so-called "STARHORN Consortium" with regard to the Kibillon Dam Project, we are forwarding extracts from correspondence intercepted at the UPHILL letter drop described in Reference A. The correspondence originates from a "secret successor" (as an UPHILL source) to Erich STARHORN whose identity is not known to us but who signs his letters "Hasekiel".</p> <p>2. The pertinent items are as follows:</p> <p>a. Handwritten note accompanying letter from "Hasekiel", dated 1 November 1960:</p> <p>"The REISER (Willy REISER) [] case hasn't stirred up any waves. But the absence of "Rudi, aka Starhorn", is noteworthy. He has never before been away so long from Egypt. It would be worthwhile to make inquiries in Munich. His wife is said to have also departed recently."</p> <p>b. Handwritten note on extract from "Voice of the Arabs" mailed circa 15-16 January 1961 in Cairo, bearing the return address of Wolfgang SCHEUR (201- see ECOA-13183, dated 20 January 1961). NOTE: Comments probably originated by "Hasekiel" as we believe SCHEUR serves only as forwarding agent.</p> <p>"Many thanks for your letter. This is my second greeting in the New Year. Detailed letter follows. Second Africa office R. STARHORN opened in Brazzaville with great success. Cairo office running at low speed (auf Sparflamme)."</p> <p>3. An additional item on STARHORN contained in intercepted correspondence to the wife of Willy REISER was forwarded in Reference B, as were Munich telexes on STARHORN.</p> <p>4. We have no objection to Headquarters' forwarding the above information to appropriate field stations/bases if so desired.</p>
